

Ms. Turner,

I just wanted to send a very BIG thanks for all of your assistance and support as I work to grow and build my business, Favorable Treats. I am so thankful for the opportunity to apply for and receive my first business loan through NDC. I am also thankful for all of the technical assistance that you have provided for me, including my recent website improvements. I really like the look of my website. I was also honored and encouraged to receive my first business award through NDC. I was overwhelmed with emotion when I initially heard the news. NDC has been there with me since the beginning and I am a better business woman because of the investment NDC has made into Favorable Treats.

Thank you for believing in me, thank you for supporting me and thank you for giving me the chance to make my dream of business ownership come true! I am forever grateful.

Sincerely,
